ABOUT US

Magnus Group gleefully announces and invites you to its "[11th Edition of Global Conference on Pharmaceuticals and Drug Delivery Systems](#)" (PDDS 2024). This event is scheduled for September 19-21, 2024, with hybrid participation options in **Rome, Italy**, and virtually, with the goal of bringing together pharma professionals, researchers, scientists, and the pharma industry.

For this year, the congress will emphasize the theme "**Advancements in Pharmaceuticals: Navigating the Future of Drug Delivery**"

This worldwide summit of [PDDS 2024](#) pledges to retain its ten-year legacy of combining collaboration with access to cutting-edge scientific information, recent trends and innovations in the field of Pharmaceuticals and drug delivery, along with committed support

from a top-notch speaking faculty.

We've seen pharma innovation evolve at an astounding rate in the last year to combat the COVID-19 pandemic. Pharmaceutical industries carefully choose their investments in technology innovation as the need for increased productivity and efficiency in drug and biomedical R&D intensified. This global consortium brings together researchers, pharmacists, scientists, academicians, industrialists, and biopharma R&D thought leaders to discuss disruptive technologies and novel innovations, as well as cost-cutting and productivity-boosting strategies in the field of Pharmaceuticals and Drug Delivery Systems.

The three-days conference is designed to maximize collaborations and innovation, with pharma and technology presentations, interactive sessions, oral and poster sessions, and visionary keynote sessions by professionals from industry and academia. Join us at PDDS 2024 to meet scientists from around the world and to learn how to move pharma from the bench to the market.
